

CUSTOM SHOES & BOX

\$70⁴²

Minimum order of 50 pieces

Put a little pep in the step of every one of your customers with some eye-catching sneakers! Available in four different styles based off popular retail brands, all custom kicks are made from sustainable and recycled materials. Individually designed by so called ankle-artists, each pair features full color artwork on both the shoes and box. With all that branding space, we think these are a step above other promo products, and what could be better than having a customer walk a mile in your shoes?
