

GAIA BAMBOO FIBER CUTLERY SET

\$7.99

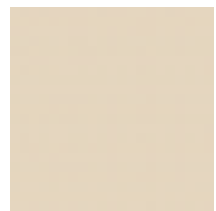

Minimum order of 50 pieces

If protecting the environment is at the top of your to-do list (next to promoting your brand, of course), then this eco-friendly cutlery set is about to make all of your dreams come bamboo. The set includes a fork, knife, spoon and trendy, equally eco-friendly travel pouch. And we're not trying to bamboozle you; this set is really constructed from 100% plant-based materials, making it trendy and eco-friendly. Plus, associating your brand with such a positive, environmentally friendly message will earn you quite a few brownie points; you can plant on it!
