

HIDRATESPARK 20 OZ BOTTLE

\$67⁴⁵

Minimum order of 12 pieces

Make water an ally and take hydration to a new level! With the help of HidrateSpark, a smart water bottle that tracks your water intake and lights up to remind you to drink water, your body and mind will be on track to a new season of health. Paired with the free Hidrate App through Bluetooth, every sip will be tracked and logged - no need to manually log your glasses! Brand customization is available with 6 body colors that come with 3 different internal colors to match a different mood every day!
