

# MENS SIRA ECO KNIT HOODY

**\$59<sup>46</sup>**

*Minimum order of 12 pieces*

It's easy breathing in this hoody! The Men's Sira Eco Knit Hoody is treated with PROTX2 AV, an anti-microbial, to keep it smelling fresh no matter how many times its worn and with a built in neck gaiter, it doubles as a mask for every cold and flu season. Made of 37% recycled polyester, it's eco-friendly while still being ultra lightweight, moisture wicking, and snag-resistant! Through a partnership with 1% for the Planet, a percent of all sales are donated to environmental nonprofits. To knit it all together, this hoody is both smart, comfortable, and sustainable!
