

# MIIR VACUUM INSULATED 20 OZ BOTTLE

**\$45<sup>12</sup>**

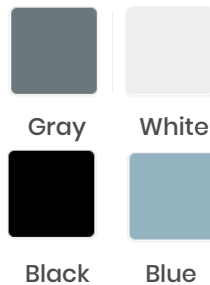

*Minimum order of 12 pieces*

Offering a 20 ounce capacity of stainless steel double-walled insulation, this Miir 20 oz Bottle is much more than meets the eye; though, let's be honest, visually, it's pretty good looking. With a wide mouth opening and beautiful laser print capabilities, you'll be gulping down competition with each swig! Medical grade stainless steel means that it can be used for either hot or cold liquids and won't leave you with a metal after-taste.. It's perfect for any customer or event - no need to feel like you're down to the final straw!
