

SWED-ISH DISHCLOTH

\$289

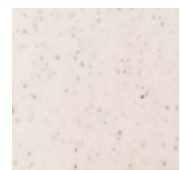

Minimum order of 150 pieces

If you're looking for a greener alternative to clean up your sustainable kitchen game, this Swed-ish Dishcloth might be the best new-ish solution! An older invention but recently trending, the Swed-ish Dishcloth is a new kitchen essential. Absorbent like a sponge, convenient like a paper towel, and washable like a dish cloth, one of these can replace up to 15 rolls of paper towels! Featuring full color artwork, this dishcloth will put your brand and message in the hands of your customer again and again and again and again...
