

WHEAT STRAW LUNCH BOX SET

\$760

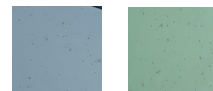

Minimum order of 20 pieces

Wheat just a minute and take a look at one of our newest eco-friendly favorites! This set includes utensils and a 3-section main lunch compartment, all made from Wheat Straw Polypropylene, a sustainable and renewable material! Need one more reason why this is the lunch box of your green dreams? 20-30% of every box is from reclaimed wheat stock, meaning even less petroleum used in production. No need to think about it over lunch, associating your brand with such an environmentally friendly product is a no-brainer!
