

WOMEN'S TENTREE SWEATPANTS

\$100⁴²

Minimum order of 12 pieces

We don't just call this leisurewear, it's the new "I'll just wear this all the time" wear. Breathable, insulating, and flattering, these sweatpants will join you on hiking trails and movie nights alike. While they're made from environmentally friendly fleece with 60-75% organic cotton and 40-25% recycled polyester from landfill plastic waste, ten trees are also planted for every piece purchased, making these pants seriously good for the planet. Next time you need some basics, don't just choose a basic, choose tentree - a new sustainable standard in your closet.
